THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.742 of 2007

ORDER:

The petitioner was assigned land admeasuring Acs.2.22 cents in Survey No.169/4, and Acs.2.18 cents in Survey No.169/5 of Putlampalli Village in Kadapa. The petitioner's name was mutated in the revenue records, and she obtained necessary pattadar pass books and title deeds. As the land has become unfit for cultivation, the petitioner admittedly setup fly ash brick unit. The fourth respondent started interfering with the possession of the petitioner, aggrieved by which, the present Writ Petition is filed seeking a direction to the fourth respondent not to interfere with the possession.

This Court while ordering notice before admission directed the learned Assistant Government Pleader for Revenue to get instructions in the matter. *Status quo* was also ordered in W.P.M.P.No.945 of 2007. Today the learned Assistant Government Pleader after getting instructions submits that the petitioner was assigned land for the purpose of agriculture. In contravention of the conditions of assignment, the petitioner converted the land into brick manufacturing unit. A show cause notice dated 25.11.2006 was issued proposing to resume the land for contravention of the conditions of assignment. The petitioner refused to receive the said notice, and did not submit the explanation.

As stated by the learned Assistant Government Pleader, action

has already been initiated for resumption of the land, and a notice is issued. Therefore, the petitioner is given liberty to submit appropriate explanation to the show cause notice within a period of ten days from the date of receipt of a copy of this order. The fourth respondent shall conduct necessary enquiry and pass appropriate orders. Till such enquiry is completed, the petitioner's possession cannot be disturbed.

The Writ Petition is accordingly disposed of. No costs.
